Dimensions

Height = 20 cm (7.9")

Width = 13 cm (5.1")

Depth = 13 cm (5.1")

Description

A most attractive Pair of Early 20th Century Antique Pewter Candlesticks of transitional design, but likely to be considered by most collectors as being in the Arts and Crafts manner, rather than Art Nouveau. Whilst they appear to be unmarked, we have refrained from removing the inset bases which may of course be obscuring a Maker's Mark, although the overall design would suggest a Scandinavian provenance. Minor dent to rim of one candlestick, which, whilst in no way detracting from the beauty of the pair, may nevertheless be examined and considered via the illustrations. Height ~ 19.50 cm. / 7.68 inches ~ Width ~ 12.50 cm. / 4.92 inches ~ Depth ~ 12.50 cm. / 4.92 inches ~ Year ~ Circa 1910. LOVE This Item ? ~ Why Not Make Us An Offer ? Our Warranty:- Buy it, enjoy it and take good care of it, subject only to these conditions, we undertake to accept this item back at any time and to credit the original purchase price against further purchases.
