Description

A 1900s mahogany display cabinet of tall, elegant proportions. It has glass to the front and sides, designed for maximise visibility of its contents while allowing light to enter from multiple angles, making it an ideal showcase for decorative objects, jewellery, ceramics, or retail merchandise. The interior is fitted with adjustable glass shelves supported by brass standards, offering flexibility for a variety of display arrangements. Constructed in mahogany with a rich, warm colour throughout, the cabinet is finished with a moulded cornice and raised plinth base, giving it a refined architectural presence without appearing overly decorative. Its slim design and generous glazed area make it equally suited to both domestic and commercial interiors. H: 224 W: 100 D: 50.5 cm
