Description

Tiffany Studios New York Gilt Bronze Ninth Century Pair of Bookends C.1912. The bookends are in good condition, but slightly dusty. I have not cleaned them in any way. They have been sourced privately from a prominent family in Devon, England. The Tiffany Studios 'Ninth Century' Gilt Bronze Bookends are exceptionally rare and almost never come onto the open market for sale. The only pair I can see sold at auction made \$3600.00 dollars plus buyers premium. The bookends are each full signed. There is a piece of fabric to the base of each, to use safely on furniture.
