Description

P0208 Rare ebonised sofa by Thonet, having shaped top rail with kidney shaped back, generous seat and open scroll arms, standing on outseamed legs, all with gilded decoration throughout. This antique sofa has been reupholstered and covered in calico, the back has no stuffing as it is ready to be covered in a fabric of your choice, two new feather cushions included. Stamped by Thonet and featured in factory catalogues. This antique sofa has been sympathetically restored, all joints have been checked and tightened where necessary, the original finish has been cleaned, revived and waxed. The sofa has been very well looked after over the years and again it is in home ready condition. This antique sofa would add elegance and style to both antique and contemporary interior. Stamped. c1900 H18"-seat H37" W46" D 27"-max H46cm-seat H94cm W117cm D69cm-max Michael Thonet (2 July 1796 – 3 March 1871) was a German-Austrian cabinet maker, known for the invention of bentwood furniture. He received a bronze medal at The Great exhibition of London in 1851 and at the next World Fair, Exposition Universelle in Paris 1855, he was awarded the silver medal. In 1856 T...
