Description

An extremely fine Art Deco diamond ring set in 18ct yellow and white gold. The ring is set with a beautiful 0.10ct old cut diamond to the centre which sits slightly proud and the setting gives the illusion that the diamond is much larger. The ring is of an intricate design and the lustre of the 18ct gold exudes an antique feel. On the outer side of the ring there is the French Eagle hallmark which denotes 18ct gold. The face of the ring measures 19mm x 10mm and is currently a UK size R 1/2 however, could be resized for the perfect fit. It is a really attractive ring which could be worn as a dress ring or as a very unique engagement ring.
