**Date of manufacture: Victorian**

Dimensions

Height = 44 cm (17.3")

Width = 18 cm (7.1")

Depth = 23 cm (9.1")

## Description

A really iconic pair of fire dogs, and instantly recognisable symbol of the Aesthetic Movement. They're a good size which enhances the striking design and crisp casting. Well presented condition, one flower head orientated a little more skyward (that's what they do isn't it?) For news and stock updates follow us on Instagram: jeckyllandco
