Description

This pair of bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely antique brown bri wax. The cabinets would look well in any bedroom either side of a double bed amongst similar ash furniture. The cabinets stand on plank ends with an exaggerated plinth supporting the main section. There is one large door and the door has a lovely carving upon it. The doors have their original metal drop handle. Behind the door is a shelf for storage. The tops are in good condition. The height is 74cm, the width is 40cm and the depth is 38cm.
