Description

This pair of bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely mahogany wax. The cabinets would look well in any bedroom either side of a double bed amongst similar mahogany furniture. The cabinets stand on original casters leading to a small plinth supporting the main section. There are three graduated drawers. The drawers have a fielded panel that is a sign of quality. The drawers have dovetail joints and are mahogany lined. The tops are in good condition. The handles have been taken off and rebuffed but are totally original. The height is 62cm, the width is 35cm and the depth is 38cm.
