Description

An antique Victorian bobbin chair featuring an attractive bobbin-turned frame throughout. The shaped back incorporates turned spindle supports beneath twin bobbin-turned rails, while the legs and stretchers continue the decorative turned detailing characteristic of the period. The generously proportioned seat has been recently reupholstered in a sage green Welsh tweed, complementing the rich tones of the timber. A particularly attractive example with good colour and plenty of character. Item Reference: M-6041 . Dimensions: Height – 81cm / Width – 48cm / Depth – 54cm / Seat Height - 34cm . **CONDITION REPORT:** In good overall condition with age-related wear commensurate with use. The frame shows some wear to the back rail and stretchers as expected, but is structurally sound and sturdy. The seat has been recently reupholstered in Welsh tweed and presents well. Minor surface wear and marks to the timber, consistent with age and use.
