Description

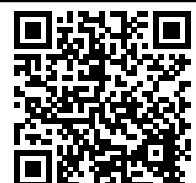

19th Century Collector's Chest Or Cabinet. This nice quality floor standing collector's cabinet is made of good quality yellow pine, having eight graduated drawers that are hand dovetailed together & enclosed by a pair of glazed locking doors with original key. The top of the cabinet has a thumb moulded edge & it has a pair of large solid brass lifting handles to the ends making it easy to move from room to room. The cabinet comes fully restored & the lock has been serviced. A very attractive & practical piece of furniture.
