Antique Victorian Brass Rose Spray Garden Syringe with Wooden Handles & Hose

Price

GBP 30

| USD \$41 | EUR 35

Item Reference: SA1221240

Date of manufacture: Victorian

Description

Authentic Victorian brass rose spray garden syringe with interchangeable spray attachments, flexible hose and original turned wooden handles. Used in late 19th-century greenhouses and conservatories for misting orchids, ferns and delicate plants, as well as applying insecticides and horticultural treatments. Featuring a rich aged brass patina and traditional craftsmanship, this antique horticultural tool makes an excellent collector's piece, decorative garden accessory or display item.
