## Description

A striking and substantial vintage wooden shop advertising sign, originally believed to have been removed from a large department store. Carved letters with original gilt finish, with its impressive scale and authentic commercial character, this piece makes a fantastic display item for collectors of advertising memorabilia, retail antiques, interior designers, or those seeking unique statement décor. The sign displays attractive age-related wear and patina consistent with its use in a busy retail environment, adding to its authenticity and visual appeal. Ideal for commercial spaces, man caves, retail displays, restaurants, cafés, or industrial-style interiors. Dimensions (approx.): of each sign \* Height: 45 cm \* Width: 345 cm A rare opportunity to acquire a genuine large-scale vintage retail advertising sign with excellent decorative and display potential.
