Description

Antique 20th century fine quality Arts and Crafts sideboard in oak, exceptionally well made and of fine quality. Featuring a beautifully decorated front with two glazed display cupboards to the upper section, each ideal for displaying glassware, ceramics or treasured items, together with a central bevel-edged mirror above a generous worktop. The base incorporates two drawers above a spacious two-door cupboard fitted with a single internal shelf, providing excellent concealed storage. Retaining all of its original handles and fittings, this impressive sideboard showcases the outstanding craftsmanship and timeless design associated with the Arts and Crafts movement. Boasting gorgeous oak grain and rich colour throughout, this is a highly desirable example with exceptional character and warmth. The practical layout, decorative detailing and quality construction make it both functional and visually impressive. For ease of transport and installation, the sideboard separates into two sections. Presented in good condition, there is a small crack to one of the corner's on the upper glass pane, as shown in the photographs. It is hardly noticeable in person and does not detract from...
