Description

Antique 20th century chest of drawers in golden oak, very well made and of good quality. Featuring four drawers to the front, all retaining their original wooden handles, providing practical storage while preserving the character and authenticity of the piece. Standing on a plinth base, this attractive chest showcases quality craftsmanship and pleasing proportions. The simple yet timeless design makes it a versatile piece, suitable for both traditional and contemporary interiors. Boasting gorgeous golden oak grain and rich colour throughout, this is a highly desirable example with plenty of warmth and natural character. The quality construction and attractive appearance make it both functional and decorative. Presented in good condition, displaying beautiful grain and colour throughout, this charming chest of drawers would make a wonderful addition to any bedroom, hallway or living space and is a perfect addition to any home.
