Price

GBP 325

| USD \$440 | EUR 380

Item Reference: SA1221498

Date of manufacture: Edwardian

Description

An attractive Edwardian sterling silver and gold portrait locket, circa 1915. The locket is centred with a large glazed photographic window framed by a gold rim and surrounded by a border of bright white paste stones, with a decorative paste-set bow above. The locket is stamped 925 / Sterling and has been tested as sterling silver with a gold rim. The reverse opens and allows for the addition of a further photograph or keepsake. A charming and very wearable example of Edwardian sentimental jewellery, in excellent preserved condition. Date: Circa 1915 Metal: Sterling silver and gold, tested Stones: Paste Marks: 925 / Sterling Weight: 20.05 grams Measurements: 70 mm high including loop, 65 mm excluding loop × 44 mm wide Locket aperture: approx. 45 mm × 35 mm Condition: Excellent, with light age-related wear only. Note: Locket only; chain, box and other items shown are props.
