Description

A wonderful quality Georgian Regency mahogany two part linen press cupboard. This George Geo III 19th century mahogany tv media cabinet wardrobe has great flame mahogany panelled doors with a better than average cornice with bead and reel detailing. Another sign of quality is the double ovolu cockbeading to the drawers and is mirrored in the panelling to the doors which have a triple brass reeded closing strip. All the drawers are hand dove tailed with original turned handles and blue sugar lining paper. The whole is raised on French Hepplewhite type splay feet. This piece of antique furniture has been fully restored by our team of qualified professional restorers so all the drawers slide beautifully and the timber polished to a rich warm mahogany colour. Circa 1810. Excellent condition. Measures 87"h x 51"w x 23"d. Internal dimensions of top 47"w x 43"h x 20"d. Would take a 50"tv. PLEASE SEE OUR OWN WEBSITE FOR FURTHER EXAMPLES ON SALE.
