Description

This is a good pair of antique leather deep cushion frames in nice original condition dating from around 1900. The unusual pair are good quality tan leather over a dome shape timber frame. These are a nice size for wall pictures or portraits but also come with their original marbled back boards with stands for table top display. The frames measure 33 cms by 27 cms and the aperture is 22 cms by 16 cms. UK insured packing and delivery is £15
