Description

A superb rare Spanish silver articulated fish. It is hallmarked with the Spanish pentagram 915 standard mark and a makers mark. I would it to c1950s. It has been superbly designed being made up in various pieces allowing it to move like a fish and it has red gem set eyes. It is in perfect condition being free from dings splits and repairs. It measures approx. 7 inches (17.7cm) long by 2.25 inches (5.6cm) tall by 1.25 inches (3.2cm) wide and weighs 86 grams. A very high quality piece.
