## Description

A Lovely Antique Edwardian Silver Plated Tea Caddy with a hinged lid. The form has gently waisted sides that give it a sculptural profile and a pleasing weight on display. A rope-twist style border runs around the upper edge, adding crisp definition to the otherwise smooth planes. The domed finial sits centrally and provides a practical, confident grip for lifting the lid. The caddy stands on four decorative paw feet, a traditional detail that lends a formal, well-finished look. Comes with a silver plated tea caddy spoon – circa 1905. \* It brings a subtle gleam and period character to a tray, shelf, or breakfast setting. Measurements: Height: 4 1/4" (approx. 11cm) Width: 4" (approx. 10cm) Depth: 3" (approx. 7.5cm) Total weight: 285g In good condition – The silver plate shows only light surface wear consistent with age and gentle use.
