## Description

A very smart pair of antique military campaign style mahogany bedside chests. They were made in England, they date from around the 1930's. They are of great quality and are a very useful size. The mahogany has a lovely colour tone, they have high quality brass handles and beautifully shaped brass brackets on the corners. There is plenty of storage space in all the drawers, the chests sit on nicely shaped bracket feet. We have recently had these re-polished, the condition is excellent for their age. There is just some very minor wear here and there remaining beneath the polish. Width – 18 inches , 46 cm Depth – 12 inches , 31 cm Height – 25 inches , 63 cm
