Description

A lovely example of a novelty miniature silver sofa, perhaps for a Dolls House. It is a very pretty piece with cherub and swag decoration. It is good quality and well made. It is not hallmarked but it has been tested as .800 grade silver so is likely a continental piece. It weighs approximately 50g. It is in good condition. There are no major damages and it displays well. There are some faint surface marks and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
