Description

A good quality Florentine style mirror dating from the mid to late 19th Century. It has a carved and gilded wooden frame with traditional scrolling acanthus leaves. It was possibly once a picture frame but now has a piece of mirror glass. It is in good original condition. There are some minor damages and small knocks around the edges of the frame but nothing detrimental and it displays very nicely. It has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
