Description

A beautiful vintage Art Deco wardrobe, offering elegant proportions, clean architectural lines, and practical storage. Crafted in wood with a rich warm grain and attractive natural patina, this piece showcases classic 1930s Art Deco styling with its gently arched top, streamlined silhouette, and subtle central oval veneer detail to the door. The interior provides generous hanging storage with a full-width rail, making it ideal for coats, jackets, dresses, or everyday garments. Its relatively slim depth also makes it a highly practical choice for bedrooms, guest rooms, or hallways where space is limited. A timeless and functional statement piece that blends beautifully with both traditional and modern interiors. A superb example of British vintage craftsmanship. Very good vintage condition. Structurally solid, sturdy, and well preserved. Door opens and closes properly. Minor age-related marks, light surface wear, and small imperfections consistent with normal use and age, all adding to its authentic vintage character. Ready for immediate use.
