Description

A superb Art Deco solid sterling silver bottle opener. It is hallmarked for Chester 1939 with the makers marks being Walker & Hall. It has a stylish design and is in superb condition being free from dings splits distortions and repairs. The opening piece is steel, this again shows little use. It measure approx. 3.5 inches (8.8cm) long by 1.75 inches (4.3cm) wide and they weigh 46 grams. A super quality example.
