Description

A striking and elegant Victorian rosewood open bookcase, beautifully crafted in the mid to late 19th century. Featuring wonderfully turned barley twist columns, an ornate hand-carved foliate frieze beneath a substantial moulded cornice, and displaying the rich colour and figured grain that make antique rosewood so desirable. The generously proportioned interior offers three spacious shelves, making it equally suited to housing a fine book collection, displaying decorative objects. The warm patina and quality of craftsmanship reflect the standards of Victorian cabinet making at its finest.
