Gents Seiko Sportsmatic Weekdater automatic wrist watch

Price

Sold**Item Reference: SA1222064****Date of manufacture: 1960**

Description

Gents Seiko Sportsmatic Weekdater automatic wrist watch. The watch has a 21-jewel automatic movement, calibre 6619A, which is working nicely. The watch measures 36.5mm diameter excluding the lugs. The case is stainless steel and it is in good condition, just minor surface marks, and some scratching around the edge of the case back. A past owner has scratched their name into the back of the watch. The case back has the model reference 6619-8010 and the codes date the watch back to 1968. The lens is in lovely condition. The signed dial is in its original finish with original hands, centre seconds hand and day / date display... wind the hands forwards to set the day, push the winder in to set the date. Handsome cross hair detail. A new leather strap has been fitted. The watch comes in a new presentation box.
