Description

18th Century Italian Ebonised Sofa A 18th Century Italian Ebonised Sofa. In the rococo style, this ebonised sofa is curvaceous and serpentine in form. The camel back is married to two flowing, part upholstered, arm supports and a serpentine seat rail supported on a series of cabriole legs of slender profile. The sofa is well proportioned and stands beautifully. It has been stripped back to an old fabric, which we have left but it will need upholstery.
