The case is stainless steel and it is in lovely condition. The case back has the raised Seamaster logo, and the inside has the case reference 165 008 which is correct for the calibre 711 movement. The lens is in lovely condition and has the very faint clear Omega logo to the centre. The signed champagne dial is in its original finish with original hands and centre seconds. A new leather strap has been fitted. The watch comes in a new presentation box.
