Description

An exceptional antique burr walnut Queen Anne style cocktail drinks cabinet. This was made in England, it dates from around the 1920-30's. It is of amazing quality with some extremely beautiful and useful features. There is fine floral carving all over the base and upper edges, with stunning burr walnut grain patterns throughout. The solid walnut legs have finely carved hairy paw feet. There are excellent brass mounts on the exposed door hinges, central plaque and drawer pulls, all with beautiful details. The interior is sycamore lined, with two removable glass shelves and a pull out mirrored serving slide. There is a light inside, but because of its age, it's not working right now, but any electrician could sort it out if needed. We have revived & polished this cabinet, it is in excellent condition throughout for its age. Width – 41 inches , 105 cm Depth – 24 inches , 60 cm Height – 71 inches , 180 cm
