Description

An 18th Century Millstone with Forged Iron Handle or Tethering Stone, C1800. A superbly stylish garden or agricultural antique millstone with hand forged iron handle, ideal garden tethering stone etc..., antique garden decorative sculpture or useful tether stone. A small grain millstone, hand carved with grooved channels which probably used for hand milling grain, the hand forged inset iron used to help turn, tbc, but ideal as a doorstep or hallway sculpture and or tethering stone. We estimate to date late 18th to 19th century and therefore listing as circa 1800. Dimensions Height 85cm Base diameter 28cm A heavy stone base, granite or limestone. A rare thing of considerable appeal. Free collection from Lewes, East Sussex. U.K. delivery We can recommend a whole of U.K. weekly delivery for £65, please enquire for parts of Scotland and Wales.
