Description

French Art Deco bronze dancer by Aurore Onu Cymbal Dancer. A finely detailed and well cast figure of a young woman standing on tiptoe and holding polished bronze cymbals. This beautiful figure has a green brown patina and stands on a Brazilian portoro marble base. The base is signed Aurore Onu. And the number 7 can be seen under one foot. There is a small place in the underside of the base where a foundry pellet would have been. In excellent original condition and a superb example of Art Deco sculpture. A similar figure is shown in Art Deco and other figures by Bryan Catley page 252
