Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest of drawers would look well in an old or modern property in a large bedroom. The chest stands on bracket feet supporting the main section. There are six large drawers and each drawer has a moulding around the edge. The drawers have a round turned wooden knob, dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The sides are panelled. The height is 95cm, the width is 125cm and the depth is 54cm.
