Description

This church pew is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The church pew would look well in any old or modern property but particularly well in any room for seating purposes and can comfortably seat 3 to 4 people. This would be ideal to the side of a kitchen table or in a hallway. The church pew stands on square legs leading to beautifully shaped arms supporting the main section where there is a lovely large seat. The back rest has three panels. The height is 90cm, the seat height is 48cm, the width is 199cm and the depth is 54cm.
