Description

This dresser is in good condition. We have professionally stripped and restored it and waxed it in a lovely antique brown bri wax giving it a stunning patina. The dresser would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in an unfitted kitchen. We will require a hand off the van with this into your hallway as it is very heavy. The dresser stands on lovely georgian bracket feet supporting the main section where there are three large drawers each side of one large door. Each drawer has its original swan neck handles and key escutcheons that have been buffed up. The door has one panel and a round turned wooden knob. The top sits neatly upon the base and is slightly set back having small shelves to the left and right side and two large middle shelves. There is a standard graduated cornice with a georgian moulding beneath. This is truly stunning please buy with confidence! The height is 205cm, the width is 184cm and the depth is 50cm.
