## Description

A beautifully painted oil portrait by Achille-Fould, depicting a young woman with dark hair, softly lit against a muted blue-grey background. She wears a delicate pink shawl and a single red rose at her neckline, details rendered with the artist's characteristic sensitivity and refined brushwork. The sitter's calm, direct gaze and the gentle modelling of her features create an intimate and quietly expressive composition. The painting is presented in its original gilt frame with richly worked ornament and an appealing, time-worn patina that complements the artwork. A graceful and atmospheric portrait by a noted late-19th to mid-20th-century French artist, ideal for adding warmth and character to any interior. Internal reference : SAI3155
