Description

A handsome antique mahogany corner washstand with shaped three-quarter gallery above a top fitted with three apertures for a wash bowl and accessories. The frieze is fitted with a central working drawer flanked by two dummy drawers, all with attractive boxwood line inlay. Raised on elegant swept legs united by an under-tier and shaped stretcher. A well-proportioned and decorative example. Item Reference: M-6440 . Dimensions: Height – 108cm / Width – 67cm / Depth – 54cm **CONDITION REPORT:** In good antique condition overall with surface wear, marks and scratches consistent with age and use. There are historic ring marks to the top from use, light wear around the drawer fronts and knobs, age-related wear to the feet, and a scratch to the reverse, none of which detract from its appearance or functionality. The drawer opens and closes well, the washstand is solid and stable, and it retains a lovely rich colour and patina. Our experienced carpenter thoroughly inspects, repairs and restores each item in our collection to ensure it is fully prepared for use in your home. For a clear and accurate understanding of each item's condition, we ask that you carefully review all provided...
