Description

This Inlaid Mahogany Chest of Drawers offers a large amount of storage. Usefully sized and substantially built this Chest is a real quality item. The smooth-running oak lined drawers are veneered to the fronts in richly figured, flame Mahogany with the addition of a decorative banding. The brass handles and escutcheons work so well with the warm hue of the timber. The top has a Satinwood cross banding to it that helps lift the look of the piece. The substantial bracket feet add solidity to the design and the beautifully paneled back is a good indicator of the quality of this piece, Being of simple design this Chest of Drawers would work well in both a traditional or more contemporary interior design.
