Description

This is a stunning large pair of antique English Old Sheffield silver on copper table candelabra, circa 1790 in date, and bearing the sunburst makers marks of the world-renowned silversmith Matthew Boulton. The candelabra are three light, two-branch and feature detachable sconces. The central light has a flame candle snuffer which can be added or removed as required. They have beautiful twisted reeded branches, gadrooned columns with circular bases. The attention to detail is absolutely fantastic and they are certain to attract attention wherever they are placed. Condition: In excellent condition with clear makers marks and no dings, dents or signs of repair. Please see photos for confirmation.
