Description

Antique 19th century Victorian chest of drawers in oak, very well made and of fine quality. Featuring four drawers in total, arranged as two small over two large, all having beautiful decorative handles, providing generous storage while preserving the character and elegance of the piece. Standing on a sturdy plinth base, this attractive chest showcases the quality craftsmanship and timeless styling associated with the Victorian period. The beautifully figured drawer fronts add to its decorative appeal, giving the piece a distinctive and refined appearance. Boasting gorgeous oak grain and rich colour throughout, this is a highly desirable example with excellent proportions and plenty of warmth and character. The quality of construction and attractive detailing make it both practical and visually impressive. Presented in good condition, displaying beautiful grain, colour and craftsmanship throughout, this charming Victorian chest of drawers would make a wonderful addition to any bedroom, hallway or living space and is a perfect addition to any home.
