Description

Antique 20th century yew wood chest of drawers, very well made and of good quality. Featuring six drawers in total, arranged as two small over four large, all retaining their original decorative handles, providing generous and practical storage while preserving the character of the piece. Standing on traditional bracket feet, this attractive chest showcases quality craftsmanship and timeless styling. Its well-balanced proportions and practical layout make it a versatile addition to a bedroom, hallway or living space. Boasting beautiful yew wood grain and rich colour throughout, this is a highly desirable example with exceptional warmth and natural character. The striking figuring of the yew timber gives the chest a distinctive and elegant appearance. Presented in good condition, displaying gorgeous grain, colour and craftsmanship throughout, this charming chest of drawers is of a particularly useful size and would make a wonderful addition to any home.
