Description

An unusual Irish armchair circa 1780. With beautiful outswept arms and wide seat. The seat is in excellent condition having been re-webbed and re-covered. Although showing minor, old signs of worm (long dead and not unusual in a walnut chair of this age) and some historic repairs this is still a good solid chair full of character and the condition has been reflected in the price. Could be used as an office chair or would grace any other room of the house. Height - 39" / 100cm Height to seat - 18" / 46cm Width - 28" / 71cm Depth - 20" / 51cm
