Description

This desk has been through our workshops and the timber is in very tidy condition, useable from day one. The top has a pleasing brown skiver with no marks on it at all. It is a really good size for working, not too big and with sufficient surface area to be functional. It has good colour and finish with all the handles in place and unbroken. This is a box top so very easy to move or put upstairs if that is where your office might be. It is a nice solid desk and as stated in nice tidy condition. Very sensible price as retirement looms. Give us a call to discuss with pleasure 01565 874075. We have one or two nice chairs that would sit with this desk if required.
