Description

Antique Omega pocket watch and chain. The watch has a stem-winding movement which is working nicely. The movement is signed with the Omega name, and it has the serial number 5,515,704 which dates it back to 1919. The movement is protected by an inner hinged cover which has minor scratching. The watch measures 50mm diameter excluding the winding crown and the loop. The case is nickel. The front and sides are in good condition. The hinged case back has some unevenness. The glass lens is in good condition. The signed dial has three hairlines at the top of the dial, and one at number 4 which is faint. The watch comes with a single chain, 25cm long including the T-bar and the clasp, and also a 1920s silver fob inscribed, 'Chippenham League, 1927-8'. The watch and chain come in a new presentation box.
