Description

This is a very exciting little carpet- maybe not at first glance- but the more you look, the more you realise how great it is. First of all, the gorgeous colour, soft peach ground, within a creamy border. Then the very large and loosely drawn design of huge flowers and vines, and finally that size! Its hat-trick of great features often asked for, rarely found. This small carpet size fits into so many rooms which are getting smaller and smaller! Search no more, here is the rug of your dreams, cleaned and all four sides secured, ready for your floor. 7'0" x 9'6"
