Item Reference: SA1223026**Date of manufacture: 1800**

Description

Early 19th Century possibly late 18th, quite possibly a study for an Aubusson tapestry. The work has intensive wear but has loads of charm as is. It was relined some time ago but no restoration was started. The stretcher has also been replaced, although it may originally have started life without a stretcher at all, just a loose cartoon. Height 72cm. Width 75cm
