Item Reference: SA1223085

Date of manufacture: 1900

Description

This antique 18ct gold diamond cluster ring exudes timeless beauty and sophistication. At its heart lies a striking old-cut diamond, encircled by a halo of smaller stones in a classic floral arrangement, each one carefully set to maximise its radiance. The cluster sits proudly on a slender yellow gold band, creating a charming contrast that enhances the brilliance of the diamonds. A stunning piece full of character, this ring is a wonderful addition to our collection of antique diamond rings. SIZE UK J / US 4 ½ - Free sizing available SPECIFICATION Diamonds total weight. 1.1 carat Diamond Grades. Colour. F-G Clarity. SI Face diameter. 11.75mm Weight. 2.2 grams 18ct gold ERA Mid – Late Victorian – 1860 – 1901 CONDITION Excellent – Aside from a tiny chip to the girdle on the central diamond the stones are in superb order, all housed safely in their settings. The gold is in lovely condition with a nice subtle sheen. A great example of an antique diamond cluster ring.
