Description

A lovely example of an antique sterling silver pill box. It has engine turned decoration with a bright gilt interior. It is clearly hallmarked for Birmingham, 1923 and the maker William Neale and it weighs approximately 19g. It is in good condition for its age and displays well. There are minor signs of age and use, a few small surface marks and minor dinks but nothing detrimental. It has been gently cleaned and polished and displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the world £25
