Height = 73 cm (28.7")

Width = 73 cm (28.7")

Description

A rare and exquisitely carved Indian octagonal side table, the two piece top above arcaded base intricately carved with running lotus flowers and petals, the legs tapered and reeded with further foliate decoration, the whole raised on bun feet. This is in untouched country house condition and is a wonderful example of early 19th century carved Indian furniture. India. C.1820

Internal Ref: 0499
