Depth = 31 cm (12.2")

Description

A 19th-century Eastern European milking stool in untouched original yellow paint, full of rural charm, authenticity, and the warm patina of generations of use. Why We Love This ... There is nothing contrived about this stool. The survival of the original yellow paint is particularly appealing, offering a direct connection to its working life. It has a warmth and authenticity that cannot be replicated - a piece shaped entirely by use, time, and purpose. At a Glance - Appeal, Desirability & Collectibility • Date: 19th century • Origin: Eastern Europe • Materials: Elm with original painted surface • Dimensions: (Not supplied) • Condition: Good, original untouched condition - great colour and patina • Notable Details: • Untouched yellow paint; honest rural vernacular form • Simple, functional construction with lovely surface character • Versatility: Ideal as a low stool, side table, plant stand, or sculptural accent • Collectibility: Strong - original vernacular furniture with surviving paint is increasingly sought after • Delivery is not included
