Description

Huge Textured Oil Embellished Print (looks like a real oil painting) in a loose style depicting a Mediterranean view out to sea of the bay of MONACO. Monaco, officially the Principality of Monaco, is a sovereign city-state and microstate on the French Riviera a few kilometres west of the Italian region of Liguria, in Western Europe, on the Mediterranean Sea. It is a semi-enclave bordered by France to the north, east and west. Good quality heavy swept frame with gilt finish. The picture is signed in the bottom left corner and appears to read E.Mercker. This picture looks like the original and comes across as very period and authentic with an excellent imitation oil painted finish. ABOUT ARTIST German artist Erich Mercker is known predominantly for his detailed and effusive works of industrial scenes. Mercker was born in a German occupied province of France. His father was a military officer, and as a result Mercker became aware from an early age the issues of national pride and loyalty. Mercker also spent some time as a child in the industrial town of Mentz, a setting which would instil in him a life-long fascination with the mechanical and humans lives of ind...
